Dear Reed Rubinstein:

This letter is in response to your Freedom of Information Act (FOIA) request dated 11/22/22 for access to Clinton Presidential records pertaining to Alejandro Mayorkas. The Clinton Presidential Library received your request on November 22, 2022. FOIA requests for Clinton Presidential Records are processed and reviewed for access under provisions of the 1978 Presidential Records Act, as amended, (PRA) (44 U.S.C. §§ 2201-2209), which incorporates the Freedom of Information Act (5 U.S.C. § 552) in substantial part.

We have performed an initial search of our collection for Presidential records related to your request and have identified approximately 166 pages and 134 digital assets of potentially responsive material that must be processed to respond to your request.

The staff of the Clinton Presidential Library is currently processing and reviewing FOIA requests that precede your request. To treat everyone equitably, we have placed your request in our expedited electronic unclassified queue by the date it was received in our office. FOIA requests are processed and reviewed for access under provisions of the PRA and FOIA and are subject to the provisions of NARA regulations at 36 C.F.R. § 1270.46, which require that we notify the representatives of the former President and the incumbent President prior to the release of any Presidential records. Also, it should be noted that materials processed in response to your request may be closed in whole or part in compliance with applicable PRA restrictions and FOIA exemptions.

When processing is complete and the notification period has passed, we will inform you of the availability of this material. At that point, you may view the materials in our research room or request reproductions. If you need further assistance, please contact our staff at 501-244-2877 or Clinton.Library@nara.gov.
