RE: FOIA Request NGC22-727

Dear Tyler Sanderson:

This email is in reference to your FOIA request seeking records related to the transfer of boxes of presidential records to the National Archives (Request No. NGC 22-727).

NARA has received a number of overlapping FOIA requests related to the transfer of the boxes, and several of the requests are now in litigation (see *American Oversight v. NARA*, No. 22-cv-1529, *Leopold v. NARA*, No. 22-cv-1922, and *Judicial Watch v. NARA*, No. 22-cv-02535). We will be managing our response to all FOIA requests in coordination with the litigation and will respond as appropriate.

If you have questions you may write foia@nara.gov or call our FOIA information line at 301-837-3642.

Sincerely,

Wanda Williams
