This group of 5 will do the Saturday tour at 2 if you can get them in.

They are the ones who were trying for tomorrow. Big favor for Hunter.

When would you be able to confirm?

Yes, you do need it for the public tour if they are going to the front of the line - which is the only way we can get it done.

Hey, Doug. May be too late from a vetting purpose, but I am copying Katie to see if it is all possible.

Katie, can you check with our friends over there?
