Invoices (General)

Step 1: Invoices go to the COR who has 5 days to review. Step 2: The invoice specialist will send an email to the COR for approval outside of the system, which will then be forwarded to the CO. The CO cannot act on an invoice until the COR approves. Step 3: The CO reviews and acts on the invoice. Step 4: The CO and Finance reviews the invoice concurrently.

Invoices (process) Cont'd

THINGS TO CONSIDER*An invoice can be rejected at any point of the process. The CO reviews invoices on a first in, first out basis. It is recommended to submit a draft invoice to the COR for review. Invoicing should be carried out in line with the schedule outlined in the contract.*

Invoices (process) Cont'd

If an error was made on the invoice, the contractor shall notify the COR and CO and request for the invoice to be rejected. Only after the CO/COR has confirmed the invoice has been rejected shall the contractor re-submit their invoice. Any revised invoice shall have the original invoice number with "R" at the end to signify it is a revised invoice. Applicable clauses: Electronic Invoicing and Payment Requirements – Invoice Processing Platform (IPP) (Apr 2013) All invoices in IPP must have at least one (1) attachment (the actual invoice)
