Dear Mr. Vice President,

On behalf of the Truman National Security Project and the Center for National Policy, I am writing to invite you to be a **featured speaker** at our annual conference, to be held at the Washington Marriott at Metro Center in **Washington, D.C.** on **Friday, June 26, 2015.**

Some of our past notable speakers include former Secretary of State Madeline Albright, General Stanley McChrystal, former Secretary of Homeland Security Janet Napolitano, Senator Tim Kaine, and Secretary of the Navy Ray Mabus.

Our annual conference brings together post-9/11 veterans, frontline civilians, policy experts, and political professionals who share a common vision of our role in the world. Hailing from 16 chapters across the nation, these men and women believe in a smart, strong, and principled foreign policy that sees the United States leading a growing community of nations towards shared security and prosperity. This year, we are excited to bring them together to not only articulate our answers to the challenges and opportunities of our day, but to strategize how to present those positions to the American public and government.

We would be humbled to hear you speak to one of our conference's major themes, **Strategic Leaders for a Changing World.** Our community rejects current extremes in foreign policy discourse—shortsighted neoconservatism and apathetic isolationism—and looks to your guidance as a leader in expanding that debate to include a wider range of options.

I can be reached at mbreen@trumancnp.org or 202-216-9723 x2325, and I am happy to speak with you or your staff to provide further information regarding our organization, our membership, and our work. We would be honored by your presence, and I sincerely appreciate your consideration of our request.

Sincerely,

Michael Breen  
Executive Director

Please see the attached for an official letter of invitation.

We would be honored if Vice President Biden would address our **audience of over 500** post-9/11 veterans, frontline civilians, national security and foreign policy experts, and political professionals from across the country on the topic of the importance of **Strategic Leaders in a Changing World**, one of the major themes of this year's event.

Some of our past notable Conference speakers include former Secretary of State Madeline Albright, former Secretary of Defense Leon Panetta, General Stanley McChrystal, former Secretary of Homeland Security Janet Napolitano, and Secretary of the Navy Ray Mabus.

Sincerely,

Mike

Some of our past notable speakers include former Secretary of State Madeline Albright, General Stanley McChrystal, former Secretary of Homeland Security Janet Napolitano, Senator Tim Kaine, and Secretary of the Navy Ray Mabus.

Our annual conference brings together post-9/11 veterans, frontline civilians, policy experts, and political professionals who share a common vision of our role in the world. Hailing from 16 chapters across the nation, these men and women believe in a smart, strong, and principled foreign policy that sees the United States leading a growing community of nations towards shared security and prosperity. This year, we are excited to bring them together to not only articulate our answers to the challenges and opportunities of our day, but to strategize how to present those positions to the American public and government.

We would be humbled to hear you speak to one of our conference's major themes, **Strategic Leaders for a Changing World.** Our community rejects current extremes in foreign policy discourse—shortsighted neoconservatism and apathetic isolationism—and looks to your guidance as a leader in expanding that debate to include a wider range of options.

I can be reached at mbreen@trumancnp.org or 202-216-9723 x2325, and I am happy to speak with you or your staff to provide further information regarding our organization, our membership, and our work. We would be honored by your presence, and I sincerely appreciate your consideration of our request.

Sincerely,

Michael Breen

INVITATION - Request for VP Biden to Address 2015 Truman Project Conference

Attachments: [VP Biden - Invite to Address Truman Conference 2015.pdf](#) (211.1 KB)

---

Dear Daniel,

I am writing on behalf of the Truman National Security Project & Center for National Policy to invite Vice President Biden to be a **featured speaker** at our **annual conference in Washington, D.C. on Friday, June 26, 2015.**

Please see the attached for an official letter of invitation.

We would be honored if Vice President Biden would address our **audience of over 500** post-9/11 veterans, frontline civilians, national security and foreign policy experts, and political professionals from across the country on the topic that highlights the importance of **Strategic Leaders in a Changing World**, one of the major themes of this year's event.

Some of our past notable Conference speakers include former Secretary of State Madeline Albright, former Secretary of Defense Leon Panetta, General Stanley McChrystal, former Secretary of Homeland Security Janet Napolitano, and Secretary of the Navy Ray Mabus.

Dear Mr. Vice President,

On behalf of the Truman National Security Project and the Center for National Policy, I am writing to invite you to be a **featured speaker** at our annual conference, to be held at the Washington Marriott at Metro Center in **Washington, D.C.** on **Friday, June 26, 2015.**

Some of our past notable speakers include former Secretary of State Madeline Albright, General Stanley McChrystal, former Secretary of Homeland Security Janet Napolitano, Senator Tim Kaine, and Secretary of the Navy Ray Mabus.

Our annual conference brings together post-9/11 veterans, frontline civilians, policy experts, and political professionals who share a common vision of our role in the world. Hailing from 16 chapters across the nation, these men and women believe in a smart, strong, and principled foreign policy that sees the United States leading a growing community of nations towards shared security and prosperity. This year, we are excited to bring them together to not only articulate our answers to the challenges and opportunities of our day, but to strategize how to present those positions to the American public and government.

We would be humbled to hear you speak to one of our conference's major themes, **Strategic Leaders for a Changing World.** Our community rejects current extremes in foreign policy discourse—shortsighted neoconservatism and apathetic isolationism—and looks to your guidance as a leader in expanding that debate to include a wider range of options.

I can be reached at mbreen@trumancnp.org or 202-216-9723 x2325, and I am happy to speak with you or your staff to provide further information regarding our organization, our membership, and our work. We would be honored by your presence, and I sincerely appreciate your consideration of our request.

Sincerely,

Michael Breen
