Case No. F-2022-06035/  
FL-2023-00036

Reed Rubinstein  
America First Legal  
611 Pennsylvania Avenue, SE #231  
Washington, DC 20003

Dear Mr. Rubinstein:

As we noted in our letter dated August 31, 2023, we are processing your request for material under the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552. The Department of State ("the Department") has identified an additional 13 responsive records subject to the FOIA. We have determined eight may be released in part, and five must be withheld in their entirety.

An enclosure explains the FOIA exemptions and other grounds for withholding material. Where we have made redactions, the applicable FOIA exemptions are marked on each record. The records withheld in full are exempt from release pursuant to FOIA Exemptions 5 and 6, 5 U.S.C. §§ 552(b)(5) and (b)(6). The document identification numbers for the records withheld in full are A-0000612926, A-0000612931, A-0000612932, A-0000612938, and A-0000634985. Where applicable, the Department has considered the foreseeable harm standard when reviewing these records and applying FOIA exemptions. All non-exempt material that is reasonably segregable from the exempt material has been released and is enclosed.

We will keep you informed as your case progresses. If you have any questions, your attorney may contact Assistant United States Attorney

Jeremy Simon, at [Jeremy.simon@usdoj.gov](mailto:Jeremy.simon@usdoj.gov). Please refer to the case number, F-2022-06035/FL-2023-00036, and the civil action number, 23-cv-00419, in all correspondence about this case.

Sincerely,

A handwritten signature in black ink that reads "Jeanne Miller". The signature is written in a cursive style with a large, stylized "J" and "M".

Hon. Uzra Zeya, by  
Senator Ted Cruz (No. 1 to No. 4)  
U.S. Senate Committee on Foreign Relations,  
March 15, 2022**

**Question 1:**

To what extent has DRL previously issued notices for projects aimed at documenting human rights violations occurring in Israel? Please explicitly cite and convey any notices you believe are precedents for or similar to SFOP0008613 in that context.

**Answer 1:**

In 2019, DRL solicited in SFOP0006474, through an open competition, proposals for programs supporting civil society organizations to reduce barriers to full inclusion of members of marginalized groups in Israel in political and economic processes. DRL funds a wide range of programs aimed at promoting civil society engagement at the local level as well as on issues related to human rights violations by security forces around the world. We have not issued any solicitations for these specific activities with respect to Israel or the West Bank/Gaza previously.

**Question 2:**

What “legal or security sector violations and housing, land, and property rights” violations that have occurred or are occurring in Israel that you believe are relevant to projects described by SFOP0008613?

**Answer 2:**

This solicitation allows local civil society organizations to design and submit proposals based on their assessment of local conditions and which they deem relevant to the context in which they would work.

**Question 3:**

What sorts of products or deliverables you envision receiving from projects described by SFOP0008613?

**Answer 3:**

Local civil society organizations who apply under this solicitation will propose potential products or deliverables based on their assessment of local conditions.

**Question 4:**

What proposals have already been submitted for projects described by SFOP0008613?

**Answer 4:**

The number and organizational specifics of proposals are not known as the Notice of Funding Opportunity has not closed yet. Additionally, Department grants policy directs the process remain confidential until a Federal Assistance Award has been granted.

**Subject:** RE: DRL/GP Panel Invitation: Strengthening Human Rights and Accountability in Israel and the West Bank and Gaza

Dear Colleagues,

My apologies that the full invitation language was not included in my original send. Please find the full panel invitation below.

The Bureau of Democracy, Human Rights, and Labor's Office of Global Programs (DRL/GP) is pleased to invite you to participate in a review panel for proposals submitted in response to the solicitation **DRL: Strengthening Human Rights and Accountability in Israel and the West Bank and Gaza**. We will conduct this panel via Microsoft Teams on **May 10, 2022**, from **9:00-10:30 AM ET** and will send the full calendar invitation separately.

Join online: [Click here to join the meeting](#)

Join by phone: +(b)(7)(E)

In response to the open solicitation, DRL/GP received seven full proposal applications, five of which were deemed technically eligible.

Voting members for this review panel are:

1. DRL/GP
2. DRL/NEA
3. NEA (inclusive of post and NEA/AC)
4. USAID
5. J/SEAS

Additional instructions on the panel process are included at the end of this invitation.

#### **Panel Materials**

Kindly find the following review panel materials attached:

1. **NOFO:** DRL Strengthening Human Rights and Accountability in Israel and the West Bank and Gaza

- 2. **Proposal Scoresheet:** Please complete one scoresheet for each proposal and submit via email to (b)(6)
- 3. **Conflict of Interest Disclosure:** Please complete and submit via email to (b)(6) prior to the panel. **Note that this form must be filled out by all staff who review the proposal.** E-signatures will be accepted.
- 4. **Confidentiality Agreement:** Please complete and submit via email to (b)(6) prior to the panel. **Note that this form must be filled out by all staff who review the proposal.** E-signatures will be accepted.
- 5. **Panel Agenda**

(b)(6)

**Directions for Reviewing Proposals**

While multiple individuals are welcome to participate in the panel, only one individual may serve as the designated voting member. We therefore ask that **in advance of the panel, the panelist selected to vote for NEA has coordinated feedback, votes, and rankings (at the highest level needed) between Posts and Desks.**

We kindly request each voting panelist fill out the attached scoresheet (attachment 2) for each proposal (reviewers sharing a single vote should complete only one scoresheet for each proposal). Voting members may recommend any number of proposals that clearly respond to the solicitation. Please review each proposal on its own merits according to the guidelines in the attached scoresheet (attachment 2) without making comparisons to other proposals.

**Conditions & Recommendations**

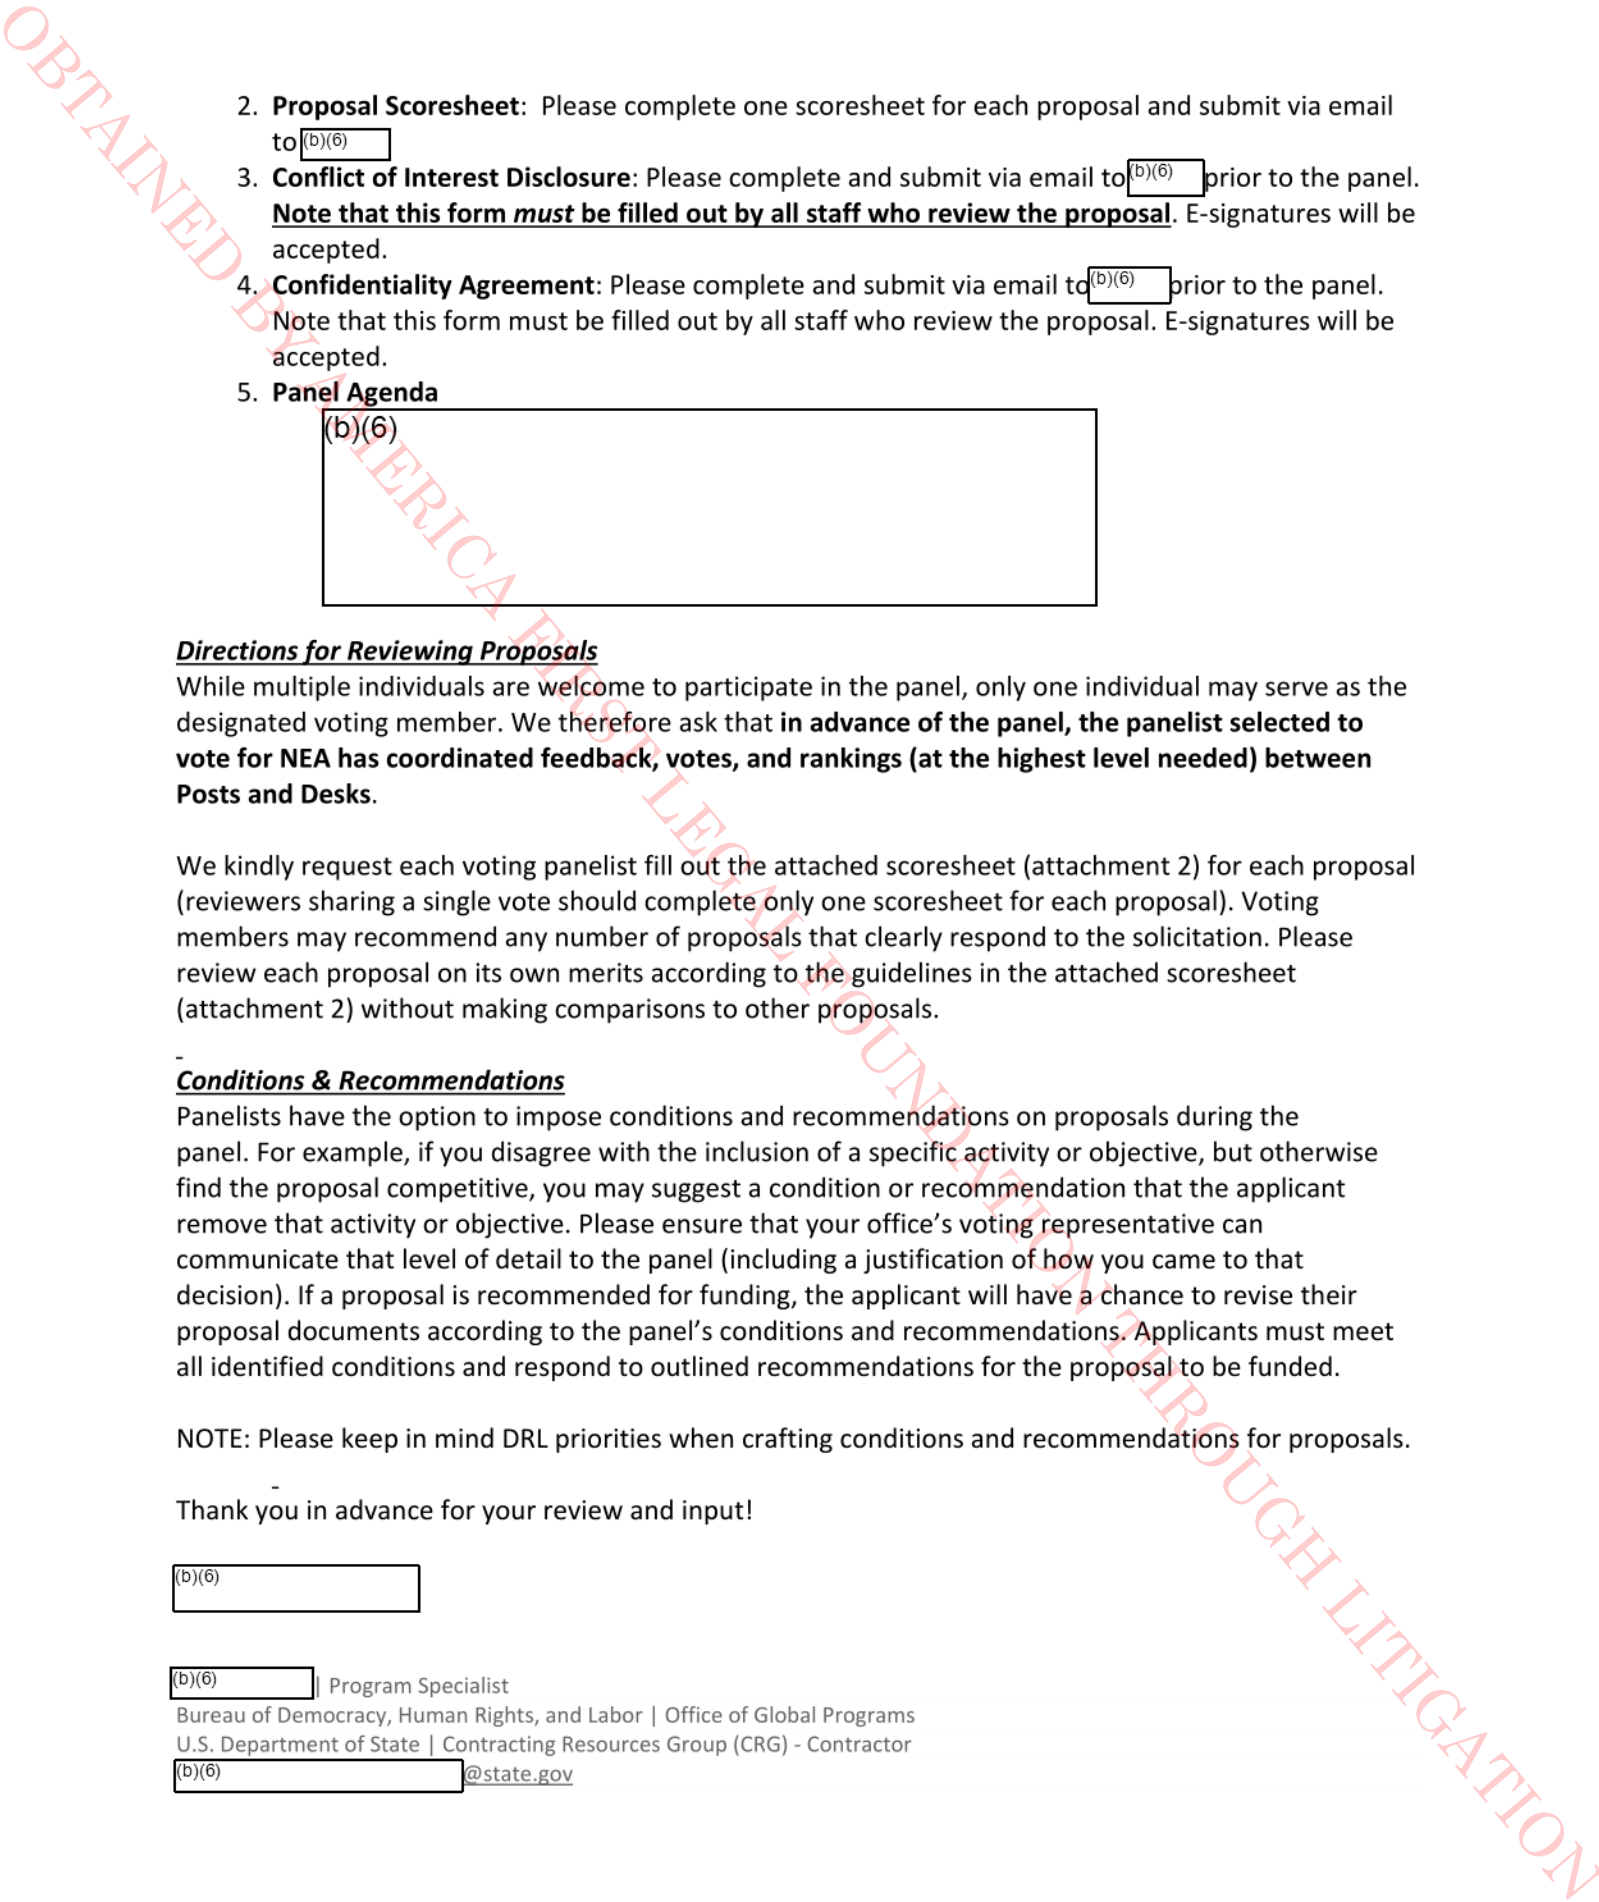

Panelists have the option to impose conditions and recommendations on proposals during the panel. For example, if you disagree with the inclusion of a specific activity or objective, but otherwise find the proposal competitive, you may suggest a condition or recommendation that the applicant remove that activity or objective. Please ensure that your office’s voting representative can communicate that level of detail to the panel (including a justification of how you came to that decision). If a proposal is recommended for funding, the applicant will have a chance to revise their proposal documents according to the panel’s conditions and recommendations. Applicants must meet all identified conditions and respond to outlined recommendations for the proposal to be funded.

NOTE: Please keep in mind DRL priorities when crafting conditions and recommendations for proposals.

Thank you in advance for your review and input!

Please Note: Should a disagreement on a condition or recommendation occur, there will be a discussion and vote at the panel on the condition/recommendation in question.

**Subject:** RE: DRL/GP Panel Invitation: Strengthening Human Rights and Accountability in Israel and the West Bank and Gaza

Dear Colleagues,

My apologies that the full invitation language was not included in my original send. Please find the full panel invitation below.

The Bureau of Democracy, Human Rights, and Labor’s Office of Global Programs (DRL/GP) is pleased to invite you to participate in a review panel for proposals submitted in response to the solicitation **DRL: Strengthening Human Rights and Accountability in Israel and the West Bank and Gaza**. We will conduct this panel via Microsoft Teams on **May 10, 2022**, from **9:00-10:30 AM ET** and will send the full calendar invitation separately.

Join by phone: (b)(7)(E)

In response to the open solicitation, DRL/GP received seven full proposal applications, five of which were deemed technically eligible.

Voting members for this review panel are:

1. DRL/GP
2. DRL/NEA
3. NEA (inclusive of post and NEA/AC)

4. USAID
5. J/SEAS

Additional instructions on the panel process are included at the end of this invitation.

### **Panel Materials**

Kindly find the following review panel materials attached:

1. **NOFO:** DRL Strengthening Human Rights and Accountability in Israel and the West Bank and Gaza
2. **Proposal Scoresheet:** Please complete one scoresheet for each proposal and submit via email to Reilly.
3. **Conflict of Interest Disclosure:** Please complete and submit via email to Reilly prior to the panel. **Note that this form must be filled out by all staff who review the proposal.** E-signatures will be accepted.
4. **Confidentiality Agreement:** Please complete and submit via email to Reilly prior to the panel. Note that this form must be filled out by all staff who review the proposal. E-signatures will be accepted.
5. **Panel Agenda**

(b)(6)

### **Directions for Reviewing Proposals**

While multiple individuals are welcome to participate in the panel, only one individual may serve as the designated voting member. We therefore ask that **in advance of the panel, the panelist selected to vote for NEA has coordinated feedback, votes, and rankings (at the highest level needed) between Posts and Desks.**

We kindly request each voting panelist fill out the attached scoresheet (attachment 2) for each proposal (reviewers sharing a single vote should complete only one scoresheet for each proposal). Voting members may recommend any number of proposals that clearly respond to the solicitation. Please review each proposal on its own merits according to the guidelines in the attached scoresheet (attachment 2) without making comparisons to other proposals.

### **Conditions & Recommendations**

Panelists have the option to impose conditions and recommendations on proposals during the panel. For example, if you disagree with the inclusion of a specific activity or objective, but otherwise find the proposal competitive, you may suggest a condition or recommendation that the applicant remove that activity or objective. Please ensure that your office's voting representative can communicate that level of detail to the panel (including a justification of how you came to that decision). If a proposal is recommended for funding, the applicant will have a chance to revise their proposal documents according to the panel's conditions and recommendations. Applicants must meet all identified conditions and respond to outlined recommendations for the proposal to be funded.

NOTE: Please keep in mind DRL priorities when crafting conditions and recommendations for proposals.

Thank you in advance for your review and input!
