

MATCHING CAMPAIGN DONATION FORM

This month, all donations will be matched up to \$2 million by Houstonian patriot and generous AFL supporter, Mike Rydin, to support America First Legal's urgent fight to resist government weaponization and illegal immigration, uphold election laws, and ensure only American voices are heard this November.

A statement from Mike about his inspiration for this campaign:

"With November fast approaching, there is an urgent need to take legal actions to ensure our elections are fair and secure. We must combat government corruption, prevent illegal voting, uphold election laws, and show the left that we will fight any attempt to undermine our democracy. Normally, I donate \$1 million to AFL at the end of the year, but given the stakes this year, I am making my donation earlier and potentially doubling it. I will match up to \$2 million of donations raised in the month of July so that AFL can tackle these crucial legal battles. Please join me in helping AFL at this critical time."

Please join Mike in supporting the crucial and impactful work that America First Legal is doing to save our country.
