Thomas plans to transfer to Pitt for Mechanical Engineering. Thomas planned to graduate from CCAC Engineering prior to transferring to Pitt. I informed him that the degrees do not completely align and he may want to consider graduating with a Math and Science degree if he wants to complete a CCAC degree. I also mentioned the CCAC/RMU Gateway program for Mechanical Engineering as this articulation offers a more direct articulation/transfer. Provided him with Debbie Misencik to see if he could receive permission to take CHM 151 without CHM 109 prereq. He is already very far ahead in math and other sciences than intro level.

Met with Thomas via VA to look over graduation requirements. Provided 23FA courses are successfully finished, only needs PHY 223 to graduate in 24SP. Considering transferring to Pitt or RMU. Is potentially interested in taking additional courses next semester; recommended speaking with transfer counselors for potential options.

Ryan Q. McCluskey on 10/23/2023 at 9:31 AM

Thomas has met prerequisites for EGR150 and CIT130 per previous coursework at CCAC and is approved to register for those classes in 23FA. Emailed Registration for help completing the transaction.

Donald B. Breitbarth on 4/25/2023 at 11:45 AM

Thomas plans to transfer to Pitt for Mechanical Engineering. Thomas planned to graduate from CCAC Engineering prior to transferring to Pitt. I informed him that the degrees do not completely align and he may want to consider graduating with a Math and Science degree if he wants to complete a CCAC degree. I also mentioned the CCAC/RMU Gateway program for Mechanical Engineering as this articulation offers a more direct articulation/transfer. Provided him with Debbie Misencik to see if he could receive permission to take CHM 151 without CHM 109 prereq. He is already very far ahead in math and other sciences than intro level.

Rachel E. D'Alessandro on 10/18/2022 at 10:35 AM

Thomas had to postpone his CHM 109 In-person course to Spring '23 because he can not be on campus this fall. We added SPH 101 instead to fulfill his humanities elective.

Maxine L. Neiberg on 7/18/2022 at 9:04 AM

Thomas visited to complete registration because the PHY141 had a prereq of Mat 108, however, Calculus was already transferred in. Registration had to complete his registration.

Caroline K. Roth on 7/15/2022 at 9:10 AM

Student is going to add more classes for the FA22 as soon as his AP scores are received.

Elaine R. DiPerna on 7/8/2022 at 9:02 AM

The student is planning to register for FA22. Thomas will send AP and other grades to CCAC registration Which will enable to register for various courses related to Engineering sci.

Mr. Nupur N. Gangopadhyay on 4/9/2022 at 10:48 AM

From Me to Thomas Crooks: (Direct Message) 08:50 AM I agree that once I register I become legally bound by and agree to the terms of the Community College of Allegheny County Student Financial Responsibility Agreement (<https://www.ccac.edu/payment/financial-responsibility.php>), and as such become responsible for all charges incurred, unless I drop classes during the designated refund period as outlined in the Drop Refund Policy (<https://www.ccac.edu/payment/drop-refund-policy.php>). This agreement outline the financial terms and conditions associated with my registration, and by registering for classes, I assume financial responsibility and agree to the terms of this agreement. I understand that failure to pay my student account or any monies due and owing CCAC may result in a financial account hold, late payment fee assessment, third party debt collection agency referral, and reporting my debt to one or more of the national credit bureaus. I now agree to register for 3 credits for the 2021 fall term. From Thomas Crooks to Me: (Direct Message) 08:53 AM I agree Thomas Crooks Matthew Crooks father I agree New dual enrollment student who is currently a junior. Interested in Bachelors in Finance possibly at Pitt. Said they will be taking AP/AP test? ECO102 and STATS. Asked to register for ECO103 (micro) Z01 for fall. Reviewed academic calendar and NetID.

How to Authenticate This Official Transcript from the University of Pittsburgh

This official PDF transcript has been transmitted electronically to the recipient, and is intended solely for use by that recipient. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. This document will reveal a digital certificate that has been applied to the transcript, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or Adobe® Reader. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was Certified by Parchment with a valid certificate issued by GlobalSign CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The Blue Ribbon Symbol: The blue ribbon is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

Invalid: If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

Author Unknown: Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

The last page contains the transcript key for this document. The document background may be blue with the university seal or white depending on the student's time of attendance and system conversion criteria. Questions as to the authenticity of this document based on the document background should be directed to the Transcripts Office at the University of Pittsburgh at 412-624-7635.

The current version of Adobe® Reader is free of charge, and available for immediate download at <http://www.adobe.com>.

If you require further information regarding the authenticity of this transcript, you may email or call the Transcript Office at the University of Pittsburgh at transcert@registrar.pitt.edu or 412-624-7635.

TRANSCRIPT GUIDE

In September 2005, the University implemented a new student administration computer system resulting in the change to some historic terminology. Depending on the status of the student at the time the transcript is produced, the transcript labels may contain either current or historic terminology. These wording changes follow with the historic terminology in parentheses: Career (Level); Program (Academic Center); Plan (Major/Minor); Subplan (Area of Concentration); GPA (QPA).
