**Kansas Public Records Request: Communications Regarding Federal Immigration Enforcement**

Dear FOIA Officer:

America First Legal Foundation is a national, nonprofit organization working to promote the rule of law in the United States, prevent executive overreach, and ensure due process and equal protection for all Americans, all to promote public knowledge and understanding of the law and individual rights guaranteed under the Constitution and laws of the United States. To that end, we file Freedom of Information Act requests on issues of pressing public concern, then disseminate the information we obtain, making documents broadly available to the public, scholars, and the media. Using our editorial skills to turn raw materials into distinct work, we distribute that work to a national audience through traditional and social media platforms. AFL's X page has over 320,000 followers.

### **III. Processing and Production**

AFL requests a waiver of all search and duplication fees associated with this request. AFL is a non-commercial public education and news media requester. Our officials routinely appear on national television and use social media platforms to disseminate the information it has obtained about federal government activities. In this case, AFL will make your records and your responses publicly available for the benefit of citizens, scholars, and others, and the public's understanding of your policies and practices will be enhanced through AFL's analysis and publication of the requested records. As a nonprofit organization, AFL does not have a commercial purpose, and releasing the requested information is not in AFL's financial interest.

If access to the records requested takes longer than expected, please provide information about the extenuating circumstances delaying the response. If any or all parts of this request are denied, please cite each specific exemption you feel justifies the refusal to release the records and provide notification of the appeal procedures available under the law. If you believe that AFL would be required under Kansas law to pay any fees in connection with this request, please contact us immediately upon making that determination.

If you have any questions about this request or believe further discussions regarding search and processing would facilitate a more efficient production of records, then please contact me at FOIA@aflegal.org. To accelerate your release of responsive records, AFL welcomes production on an agreed-upon rolling basis. Please provide responsive records in an electronic format via email. Alternatively, please provide responsive records in native or PDF format on a USB drive to America First Legal Foundation, 611 Pennsylvania Ave SE #231, Washington, DC 20003.

Thank you in advance for your cooperation.
