Whether we need to start wearing them again as cases surge. I'm adding some documents that they sent last week. Mask mandates is in the tough QA, among many other things.

Got it. Any more idea what they want to know about masks?

Hi Francis-
You're confirmed for tomorrow morning at 7am ET. They're sending the van to your house so likely around 6:40a ET. They have your number.
Let us know if you need anything additional in preparation.
Thanks,
Amanda

Hi Francis:

White House is asking if you could do GMA tomorrow morning at 7 am. Let us know if you're interested/available. Topics are Delta, rising cases, and masks.

Thanks,

Renate

Hi Renate and Amanda! Is Dr. Collins available to join GMA tomorrow at 7AM? They will likely focus on Delta variant, cases rising, and masks. I know it's quite early on a Sunday so no pressure but if this is of interest, please let me know. Thanks!
