Communications Regarding Donald J. Trump

To Reed Rubinstein, Jacob Meckler and Michael Ding:

Per my last update letter dated January 2, 2024, I am writing to update you on the process of searching for responsive records. I am still in the process of reviewing the records we located pursuant to a search for relevant keywords, first for responsiveness to your request and then for a determination as to whether responsive records fall under any exceptions to disclosure under FOIL. Given the volume of records, and the amount of time it is taking to review them, I estimate that I will need another 30 days to complete my review. You can therefore expect an update of the review process, or a determination, on or before March 4, 2024.

Sincerely,
