Communications Regarding Donald J. Trump

To Reed Rubinstein, Jacob Meckler and Michael Ding:

Per my last update letter dated April 5, 2024, I am writing to update you on the process of searching for responsive records. I am still in the process of reviewing the records we located pursuant to a search for relevant keywords, first for responsiveness to your request, and then for a determination as to whether responsive records fall under any exceptions to disclosure under FOIL. I am making significant progress, however, given the volume of records, and the amount of time it is taking to review them, plus the number of other, similar FOIL requests we received at around the same time as yours, I estimate that I will need another 30 days to complete my review. You can therefore expect an update of the review process, or a determination, on or before June 3, 2024.

Sincerely,
