Communications Regarding Donald J. Trump

To Reed Rubinstein, Jacob Meckler and Michael Ding:

Per my last update letter dated August 3, 2023, I am writing to update you on the process of searching for responsive records. I have been informed by IT that keyword searches of the relevant email accounts should be completed within the next two weeks. Once I have received the results I will review them to determine whether the records are responsive and for any applicable exemptions. As I have indicated previously, given the size and complexity of your request, and the number of other FOIL requests pending, some of which were submitted to this office prior to yours, I estimate that this process will take at least another 60 days. I will therefore provide you with an additional update, or a determination, on or before December 1, 2023.

Sincerely,
