23F0236 - FOIL Request #2 – dated April 7, 2023
23F0273 - FOIL Request #3 – dated April 20, 2023
Communications Regarding Donald J. Trump

To Reed Rubinstein, Jacob Meckler and Michael Ding:

Per my last update letter dated October 3, 2023, I am writing to update you on the process of searching for responsive records. As I previously explained, I submitted a request to our IT unit for keyword searches of the relevant email accounts pursuant to your request. I have just recently received several thousand records as the result of those searches. Those records must now be reviewed first for responsiveness to your request and then for a determination as to whether responsive records fall under any exceptions to disclosure under FOIL. I am in the process of reviewing these records at this time. Given the volume of records, and the amount of time it is taking to review them, I estimate that I will need another 30 days to complete my review. You can therefore expect an update of the review process, or a determination, on or before January 2, 2024.

Sincerely,

A handwritten signature in black ink, appearing to read "Madeleine Guilmain", with a long, sweeping horizontal line extending to the right.
